

Testimonial Megan Walker, Founder of Market Savvy, shared her experience:

“[TEG] has helped us create a high-powered, unique and time-saving tool for our health and medical clients worldwide...With HealthPost Genius, practices can create a month’s worth of compliant social media posts in minutes – freeing them up to work with patients and clients while streamlining their marketing. We appreciate Conor’s [TEG’s] dedication and patience helping us create this amazing product.”
