To Whom It May Concern:

Maine International Trade Center (MITC) has worked with Marnie MacLean and her company, Moose Tree Media, since 2017.

Initially, MITC contracted with Marnie to help publicize Maine International Trade Day, our signature annual event. Her journalism background and extensive media contacts were instrumental in obtaining valuable print and television coverage. Additionally, Marnie contributed written articles and video content for our former newsletter for several years. Currently, she is a vital member of the team producing our annual Trade & Investment Award videos, contributing her interviewing, writing, storytelling, scheduling, and video production skills throughout this 3-month project.

Over the course of the last 7 years, I have truly enjoyed working with Marnie. She is always professional, meets all deadlines, and demonstrates graceful flexibility with unexpected changes. Marnie has taken the time to get to know our team and understand the work of our organization. As a result, she is able to tell our story, as well as those of our member companies, in engaging ways. I greatly appreciate her partnership. We have established a strong working relationship that I hope will continue.

Sincerely,
